

# BAILEY UHL

## Web Developer & Designer

baileyauhl@gmail.com | (517) 294-6778 | Harrisburg, PA | [Website](#)

## SUMMARY

I am a front-end web developer and designer with 5+ years of experience building responsive websites, creating custom digital designs, leveraging analytics to optimize engagement, and curating branded email campaigns.

## PROFESSIONAL EXPERIENCE

### Front-End Web Developer & Designer

**Jan 2024 - Nov 2025**

*Kinsley Construction - York, PA - In Person*

- Developed 7 responsive WordPress websites using custom code, premium themes, and plugins
- Implemented on-page SEO strategies by optimizing keywords, metadata, and images
- Managed 20+ Google Business Profiles to enhance SEO, increase brand visibility, and drive customer engagement
- Ran targeted Mailchimp campaigns using segmentation, A/B testing, and analytics to increase marketability
- Tracked website and email performance using Google Analytics and Mailchimp metrics to inform business strategy
- Founded a Shopify store and oversaw product selection, vendor sourcing, and order fulfillment

### Email Specialist & Graphic Designer

**Jan 2022 - May 2023**

*Emerson Rogers - NY, NY - Hybrid*

- Coded 50+ custom emails in Adobe XD and HTML, tailored to campaign goals and brand messaging
- Led the creation of 30+ digital marketing assets, including web banners and email signature ads
- Developed a drag-and-drop email builder, enabling teams to create branded emails faster and at scale

### Email Marketing Specialist

**May 2021 - Jan 2022**

*Amur Equipment Finance - Remote*

- Created 30+ email marketing campaigns and landing pages using Pardot, Salesforce, and HTML/CSS
- Streamlined 10+ automated email drip campaigns with dynamic content and behavior-based triggers
- Analyzed customer engagement metrics, including open rates and click-through rates, using Salesforce
